Wudu Steps for Kids

A simple practice sheet for learning the order of wudu. This teaches beginner-friendly common steps; families should follow qualified teachers for school-specific fiqh details.

Student checklist

- Make intention:** Quietly intend to purify yourself for worship.
- Say Bismillah:** Begin in the name of Allah.
- Wash hands:** Wash both hands up to wrists.
- Rinse mouth:** Rinse gently.
- Clean nose:** Sniff water lightly and clean the nose.
- Wash face:** Wash the full face.
- Wash arms:** Wash right then left arm up to elbows.
- Wipe head and ears:** Wipe head; many beginner curricula also teach ears.
- Wash feet:** Wash right then left foot up to ankles.
- Be careful:** Do not waste water; ask a teacher for madhhab-specific details.

Source note: The required washing/wiping actions are based on Quran 5:6. Additional beginner steps are commonly taught as Sunnah practice.
